## Epson Stylus® TX410

Designed for your dynamic lifestyle with wireless connectivity & high quality document & photo printing

The Epson Stylus® Photo TX810FW, synchronises style, performance and versatility to bring you the perfect printing experience.

### A New Statement in Design

The Epson Stylus Photo® Photo TX810FW is wrapped in an Italian designed piano black body exuding style and substance. Intuitively designed, the paper feeder, memory card slots, control panel and ink cartridges are located in the front for easy access.

### PC-free Printing for Greater Ease of Use

Enjoy effortless PC-free printing with the Epson Stylus® TX410 with Pictbridge capabilities and multi-Card slots.

### Epson DURABrite® Ultra Inks for Long-Lasting Prints

Epson DURABrite Ultra Ink is renowned for its smudge, fade and water-resistant qualities, but you can also be assured of sharp black text and glossy photos to meet both your general and photo printing needs.

Epson DURABrite®  
Ultra Ink

### Superb Print Speed

Built with Epson's Micro Piezo print head technology, the Epson Stylus® Photo TX810FW prints at amazing print speed of up to 40 pages per minute

### Dual Paper Trays, Double-sided Printing

Built-in dual paper trays enable greater paper storage. In addition, the Epson Stylus® Photo TX810FW is capable of duplex printing which will greatly reduce paper wastage.

### Professional Quality

Epson's Micro Piezo print head technology and Variable Sized Droplet Technology combine to ensure fast print speeds, smooth colour graduation and precision printing every time. With ink droplets from 1.5pl and high resolution printing at up to 5760 dpi, rest assured even intricate details are accurately reproduced in every print.

## Photo Perfection with Epson Creativity Suite

The Epson Stylus® TX410 comes with powerful and easy to use photo and document management software including:

### Epson Easy Photo Print

Achieve photo lab quality prints in just 3 steps with this easy to use software.

Step 1  
Choose photo
